Suffolk County Legislator Rob Trotta Invites Pastor Jason Jasper of Discover Church to do the Invocation at Legislature

(Smithtown, NY)...The Presiding Officer of the Suffolk County Legislature assigns each legislator a meeting date in which they invite a member of the clergy from his or her district to say the opening prayer for each general meeting of the Legislature. At the April 25 meeting of the Suffolk County Legislature, Legislator Rob Trotta asked Pastor Jason Jasper, founder of the Discover Church in Kings Park, to say the invocation before the start of the legislative meeting. Prior to starting the Discover Church, Pastor Jasper was a youth minister and a missionary. He is very involved in the Kings Park community and its various organizations, and has been recognized for his dedication and commitment by the Kings Park Chamber of Commerce and the Kings Park School District. "I thank Pastor Jasper for being with us today and appreciate his words of wisdom," said Legislator Trotta.
